

# How to install

After a successful build, the installation file will be generated in the folder  
“.\WixSampleInstaller\bin\x86\Debug\WixSampleInstaller.msi”

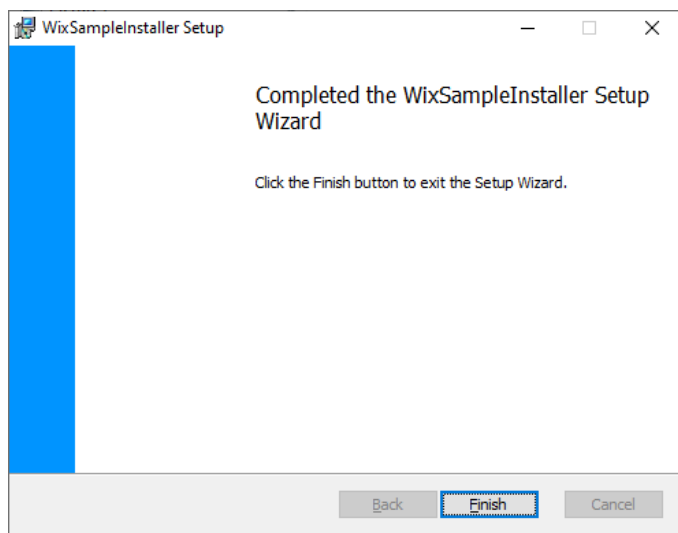

Run WixSampleInstaller.msi

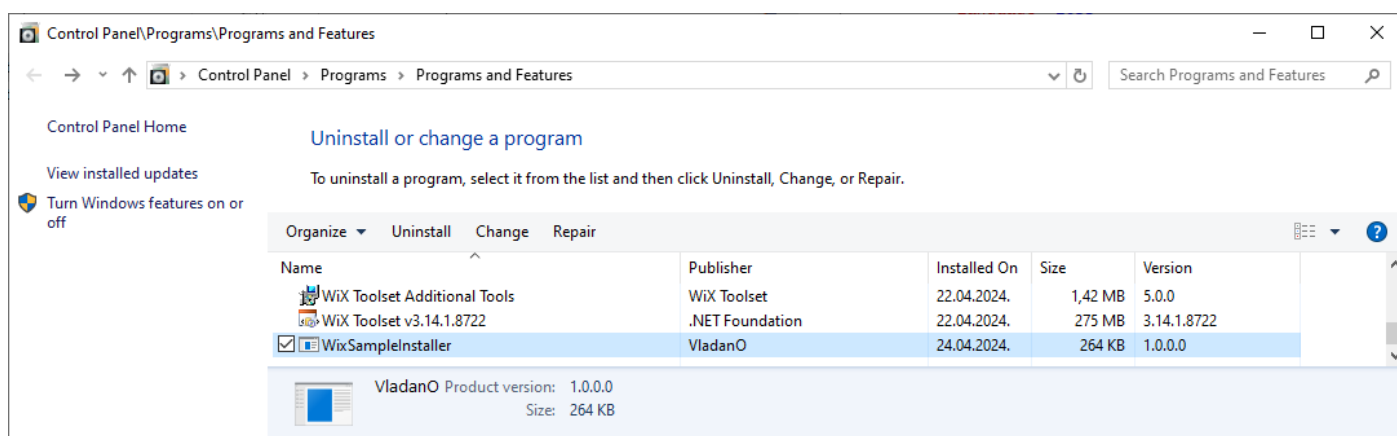

Or

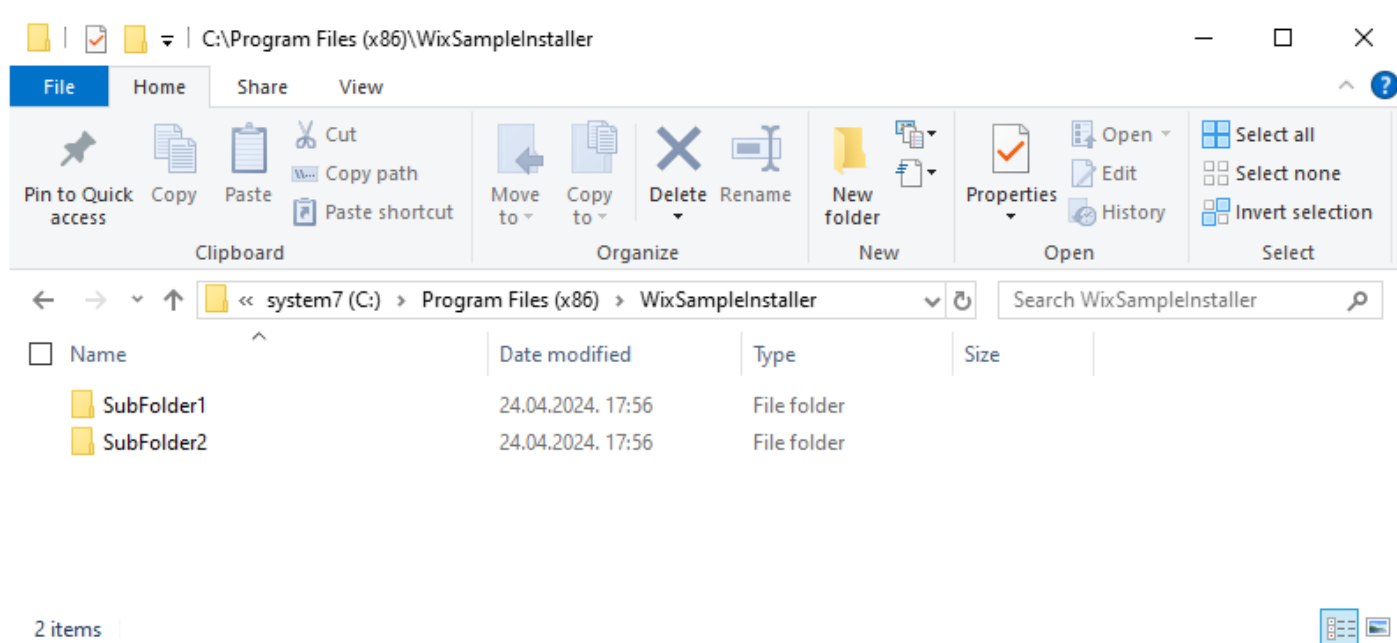

...

On the Control Panel you can see that WixSampleInstaller installed

On the Program Files location, you can see that all components installed inside the folder “C:\Program Files (x86)\WixSampleInstaller”

There are no shortcuts created on Start Menu and Desktop.
